DIV. OF OIL, GAS & MINING

Mr. Daron Haddock
Utah Division of Oil, Gas and Mining
1594 West North Temple
Salt Lake City, Utah 84116

RE: Change of Ownership and Control, Genwal Resources, Inc., Crandall Canyon Mine, C/015/0032; West Ridge Resources, Inc., West Ridge Mine, C/007/0041

Dear Daron:

Enclosed on behalf of Genwal Resources, Inc. and West Ridge Resources, Inc., is revised ownership and control information which addresses the following deficiencies sets forth in the Division's Technical Memos dated October 25, 2010 regarding the change in ownership of the Crandall Canyon Mine Permit and the West Ridge Mine Permit.

I. Murray Energy Holdings Co.

A. Robert D. Moore is Chief Financial Officer, not President. We have amended Section 2 to remove the end date of Robert E. Murray as President and CEO.

B. The AVS database is correct regarding the begin dates of shareholders Robert Edward Murray, Jonathan Robert Murray and Ryan Michael Murray and we have added this information.

II. Murray Energy Corporation

A. Michael O. McKown's begin date as Senior Vice President, General Counsel and Secretary is 08/01/08. However, Mr. McKown was originally appointed as Secretary on February 24, 2001. We have made this clarification and enclose the corporate resolutions confirming these begin dates.

III. Intermountain Power Agency

A. IPA's ownership and control information previously set forth at Section 10 has been removed. We have retained a footnote in the information regarding Genwal and West Ridge to confirm that IPA was previously a tenant in common with a 50% undivided interest in these entities.

This information will be reformatted and submitted by Mr. Shaver in red-line strikeout form showing changes to Appendix 1-9 for both mine permits. I understand that Angela Nance will submit this information to OSM/AVS once the Division has accepted these changes.

Very truly yours,
